Opposer hereby gives notice that it will rely on said registrations in this proceeding. Attached to this Notice of Opposition is a current printout of information from the electronic database records of the U.S. Patent and Trademark Office showing the current status and title of the aforementioned trademark registrations.

3. Said registrations are valid and subsisting and are prima facie evidence of Opposer’s exclusive right to use the INTUIT mark in commerce on the goods and services specified therein.

4. There is no issue as to priority. Opposer commenced use of its INTUIT and INTUIT (Stylized) marks prior to the filing date of Applicant’s mark, which is the subject of this proceeding. Further, Opposer’s U.S. Reg. Nos. 1821148, 1840504, 1944875, 2729118, 2729119, 2729121, 2729122, 2729358, 2729359, 2729360, 2763973, 2771349, 2771743, 2920336, 2957901, 3850588, 3850589, 3850590, 3850591, and 3857355 were each filed prior to the filing date of the INTUITOTS mark, which is the subject of this proceeding.

5. For over twenty-eight (28) years, Intuit has been engaged in the business of designing, manufacturing, marketing, selling, and providing a wide range of goods and services for businesses and individual consumers, including the general public throughout the United States and worldwide. Since at least as early as February 17, 1984, Intuit has used its distinctive INTUIT mark and trade name in connection with its goods and services. During those twenty-eight (28) years, Intuit has offered, provided, marketed and promoted its goods and services in connection with the INTUIT mark nationwide, including through its best-selling Quicken®, TurboTax® and QuickBooks® software products and online solutions, which also bear the INTUIT name and mark. Further, since at least as early as March 12, 2008, Intuit has used its distinctive INTUIT (Stylized) mark in connection with its goods and services. As a result, Opposer’s INTUIT name and mark has become famous nationwide, and so distinctive that the public associates the INTUIT

//

mark with Opposer even when the public encounters the INTUIT mark apart from Opposer's goods and services.

Intuit's fiscal year 2012 revenue was \$4.15 billion. Intuit is publicly traded on the Nasdaq Stock Market, and recognized as America's most-admired software company and one of the country's best places to work.

Throughout its over twenty-eight (28) years, Intuit has been the subject of extensive media attention. Countless articles published discuss Opposer's INTUIT goods and services. Other published articles highlight consumers' recognition of and loyalty to the INTUIT brand. Further, Intuit has been the subject of television and radio broadcasts nationwide, including national and local networks, stations, and programs such as CBS, ET, CNBC, CNN Day Break, CNN Money Morning, Lou Dobbs Tonight, Fox 6 News in the Morning, KRON TV, CNET Radio Morning Show, Newsradio 88, KGO-AM radio, and WBBR-AM radio. Similarly, Intuit's websites located at and linked to www.intuit.com generate high traffic from visitors located all over the United States and the world.

Intuit is also the subject of a book "Inside Intuit: How the Makers of Quicken Beat Microsoft and Revolutionized an Entire Industry" by Suzanne Taylor and Kathy Schroeder. In addition, Intuit has been named to FORTUNE Magazine's annual "Best 100 Companies to Work For" list for at least the last nine consecutive years. Indeed, Intuit has won numerous awards over the years.

Also, Intuit supports philanthropic efforts through the Intuit Financial Freedom Foundation, the Intuit Tax Freedom Project, the Intuit Tax Freedom Project, and the Intuit Foundation.

6. Commencing prior to Applicants' filing date, Opposer, by itself and through its licensees, began using and is using its INTUIT mark in connection with a wide range of goods and services. Since at least as early as 1984 Opposer has used the INTUIT trade name and trademark throughout the United States in connection with the marketing and sale of computer software products and related services. Since at least as early as 1992, Opposer has used the

INTUIT trade name and service mark throughout the United States in connection with the offering and rendering of business services.

Said nationwide trade name, trademark, and service mark use of INTUIT and INTUIT (Stylized) by Opposer has been valid and continuous since the date of first use and has not been abandoned.

7. Intuit provides software products and services that help individuals and families manage their finances, including managing child care budgets, saving for tuition, using child care expense credits, tracking child support payments and deductions, and filing minor child tax returns. In addition, Intuit provides online information and advice for parents regarding children, ranging from such topics as giving children an allowance for chores, to money saving tips for kids' summer activities, to claiming child tax credits.

Intuit's QuickBooks solutions are used by many childcare centers to manage their businesses. Similarly, Intuit works with third-party developers and currently offers through its INTUIT branded website over 250 desktop and web applications to meet the business needs of education and childcare providers.

In addition, to help teachers make sound financial judgments for themselves and to encourage them to build financial literacy into class curricula, Intuit collaborates with the California Jump\$tart Coalition, the Nasdaq Educational Foundation, and the California Society of CPAs. Similarly, Intuit promotes financial education for older teens and young adults through the Intuit Education Program. The Intuit Education Program provides education site software licenses for use by students in classrooms, along with lesson plans and training guides for teachers.

Intuit is also known for its commitment to helping families and children through its philanthropic activities. The Intuit Foundation promotes, enhances and finances charitable and educational activities including programs targeting at-risk children and youth and supporting qualified organizations throughout the US that assist children and families such as Big Brothers Big Sisters, Boys and Girls Republic, Child Abuse Prevention Center, Children's Treatment Center, City Year, Collin County Children's Advocacy Center, Dollars for Scholars, Family and

Community Strengthening Services Family Giving Tree, Hay Lake School, Hope House, Hunter Lake Elementary School, Jerome Bettis "The Bus Stops Here" Foundation for troubled and underprivileged children, Junior Achievement, Juvenile Diabetes Research Foundation, New Alternatives Foster Family agency, Patch Project for Single Moms, Penrickton Center for Blind Children, Plano Children's Medical Clinic, School Force, Toys for Tots, Tucson Shalom House for homeless moms with small children, Walden Family Services, and Wayside Youth and Family Support Network. Similarly, Intuit works with the National Coalition Against Domestic Violence and the National Endowment for Financial Education to help battered women gain control of their financial lives and build better futures for themselves and their children.

Intuit has been named a Fortune Magazine's "Best Companies" for the past 11 consecutive years and is known as a family-friendly company including offering a back up child and elder care assistance program at a reduced rates. In the first six months it was offered, 106 employees used the program 971 times, most often for child care.

8. In view of the similarity of the respective marks and the related nature of the goods and services of the respective parties, it is alleged that Applicant's INTUITOTS mark so resembles Opposer's INTUIT name and mark previously used in the United States, and not abandoned, as to be likely to cause confusion or mistake or to deceive, thereby causing loss, damage, and injury to Opposer and the purchasing public, and to dilute the value and source identifying power of Opposer's INTUIT identifier, and to disparage and falsely suggest a connection with Opposer thereby causing loss, damage, and injury to Opposer and the purchasing public.

9. As a consequence of the duration, extent, and geographic reach of Opposer's marketing, promotion, advertising, sales activity, and sales of the goods and services offered under Opposer's INTUIT mark, Opposer's INTUIT mark has come to be identified as a designation of Opposer's goods and services, and as a result, the INTUIT mark has become valuable assets of Opposer and principal symbols of its goodwill, and Opposer's mark has become well-known and famous. Opposer's INTUIT mark became well-known and famous prior to the

filing date of Applicant's Trademark Application Serial No. 85534593 and prior to any use of Applicant's mark. In view of the similarity of the respective marks, the high degree of distinctiveness of Opposer's famous mark, and the extent to which Opposer is engaging in substantially exclusive use of its famous mark, it is alleged that Applicant's INTUITOTS mark is likely to cause dilution by blurring or dilution by tarnishment of Opposer's famous mark, thereby causing loss, damage and injury to Opposer, impairing the distinctiveness of Opposer's INTUIT mark, and harming the reputation of Opposer's INTUIT mark.

10. WHEREFORE, Opposer prays that this notice of Opposition be sustained, that Applicant's Trademark Application Serial No. 85534593 be rejected, and that Applicant be denied registration of INTUITOTS as a trademark for the services as specified in that application.

This Notice of Opposition is being submitted along with our authorization to cover the requisite \$300.00 fee to oppose the Application. Please charge any additional fees to our Deposit Account No. 50-0261.
